We offer lower costs and increased coverage to keep you healthy with insurance coverage that fits your needs. You may qualify for tax credits to lower your premium, or cost-sharing reductions to decrease your out-of-pocket cost for IdealCare.

Coverage includes doctor visits, hospitalization, maternity care, emergency room care, and prescriptions.

You qualify for IdealCare if you have no health insurance and are between the ages of 18-64 years old. You must also be a U.S. citizen or resident and live in Travis, Hays, Bastrop, Burnet, Lee, Caldwell, Fayette or Williamson counties.

Sendero Health Plans is offering IdealCare through the Health Insurance Marketplace. The marketplace promises fair treatment for patients.

Sendero Health Plans can help you complete the IdealCare application. We will tell you the cost and explain the coverage for the plan you choose in easy-to-understand language. There are no hidden fees and no fine print.
